Chief of Police Jennings,
Toledo,
Ohio.

My dear Chief Jennings:

This is to say thank you on behalf of the Council of Churches for your co-operation in assuring us of police protection if any were needed in connection with the holding of the Outdoor Church on the corner of Madison Avenue and St. Clair Street this summer. I am told also that you spoke on Civic Night and we want you to realize that we appreciate very greatly your kindness in this regard.

Sincerely yours,

Executive Secretary.
