Mr. Harry Jennings,
Chief of Police,
Toledo, Ohio.

Dear Sir:

At a recent meeting of the Board of Police Commissioners of the City of Ann Arbor, a vote of thanks was extended to yourself and the Members of your Department who so ably assisted our local Police Force in handling the traffic in this City during the Football games.

To my own personal knowledge the traffic was never handled better than what it was during the present Fall, and this, notwithstanding the fact that our crowds were double those of other Seasons.

The Chief of Police, Thomas O'Brien is in receipt of a letter from Hon. Charles L. Bartlett, one of the Recorder's Court Judges of the City of Detroit, commending the Department for the way in which traffic was handled. We feel that this is not only a tribute to our own men but to the men from your Department and from Jackson, and the Members of the State Police who assisted us.

Assuring you that the Commission deeply appreciates all that you and your men have done for us and wishing to assure you that at any time that we can be of service to you, we will appreciate a call from you, we remain,

Most truly yours,

FBD/W

BOARD OF POLICE COMMISSIONERS.
