Mr. R. W. Baskett,  
Dodge Brothers, Inc.,  
Detroit, Michigan.

Dear Sir:

I have your inquiry of February 10th regarding N. D. Jett, who has applied to you for a position and who gave my name as reference, and wish to state that I have known this boy for a number of years. He worked his way through Waite High School here, and through one year at Ohio State University. He is a fine young man and I would be glad to recommend him for any position he might seek.

Yours very truly,

HJ/S

Chief of Police.
