

March 12th, 1926.

Mr. Fred W. Preece,
Secretary Kiwanis Club,
Toledo, Ohio.

Dear friend Preece:

I have your letter of March 5th, enclosing one you received from E. H. Scott, President and General Manager of the Johnson Automobile Sheet Metal Works of Richmond, Indiana, relative to my addressing the Kiwanis Club of that city sometime.

I wish to advise that I would be glad to comply with his request but will be unable to do so at the present time. At some near future date, however, I would consider it a pleasure.

Yours very truly,

Chief of Police.
