Harry Jennings, Chief of Police,
Toledo, Ohio.

Dear Mr. Jennings:

Enclosed herewith is a copy of my letter
of April 23rd.

I hate like the dickens to be bothering
you with this correspondence, but really
the time is getting short if our Meeting
is to be held on the 13th and some defi-
nite arrangements will have to be made
at this end if a change is to be made in
the date.

I sincerely hope you can come on the 13th
and that you will so advise me by return
mail.

Yours truly,

EHS/J
