H. Jennings,
Chief of Police,
Toledo, Ohio.

Dear Chief:-

I am writing you relative to the dates of the Convention of the Ohio Police Association, which I understand opens August 16th to 20th. Also the date of the International Association for Identification which opens in Los Angeles August 17th to 21st.

Since these Conventions are held at practically the same time, the boys down this way are wondering if there would be any chance of having the dates of the Ohio Police Association changed, if not too late.

C. A. Myers, Superintendent of the Ohio State Bureau of Criminal Identification would like to attend both Conventions, as well as three or four from this office and some from the Columbus Police Department, but we are unable owing to the conflicting dates. Mr. Myers as well as others, are wondering if the dates could be changed so he and others could attend both Conventions. If such a thing could be done without too great inconvenience, I know of about ten or twelve that could attend the Ohio Police Convention.

Thanking you for a reply and with best wishes, we remain,

Very truly yours,

THE NATIONAL DETECTIVE BUREAU COMPANY

R. I. Miles

Secretary.
