Mr. Harry Jennings,
Chief of Police,
Toledo, Ohio

When I returned to the office we entered your order for a
Colt Police Positive Target Revolver in .22 caliber with
Partridge sights.

After going over your case carefully, Dwight and I decided
that you were so far past any hope of Eternal Salvation that
we wanted this to be with our compliments and it is so going
forward.

Have a good time on your vacation but don't try to lie to
those of us who know you about the size of the fish you catch.

With the personal regards of Dwight Phelps and Harry Lidstone,
we are

Yours very truly,

H. W. Lidstone
