Mr. Harry Jennings,
Chief of Police,
City of Toledo,
Toledo, Ohio.

My dear Chief Jennings:

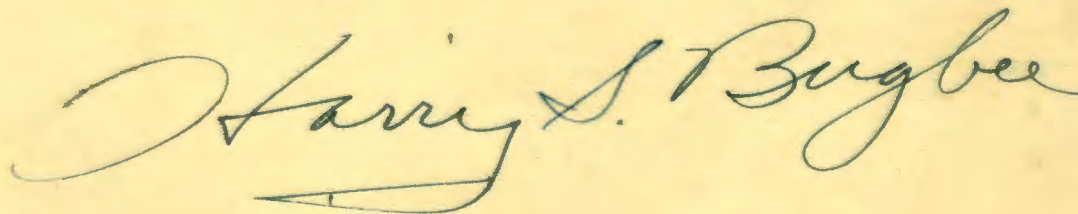

I have your letter of October 13, requesting my services in connection with the Toledo Safety Campaign during Safety Week. The letter arrived during my absence from the city and I first saw it yesterday morning, at which time I called your office and have since called again in an effort to reach you by telephone to tell you of my willingness to do what I can in compliance with your request.

I am sending you this note to make sure that you are advised of my desire to be of assistance to you and if it is still time for me to obtain the instructions which were given out on October 15th, I shall be pleased to receive them and act in accordance with them.

With best wishes for the success of the campaign, I remain

Very truly yours,
