Mr. Jos. Murphy,
1609 Adams St.,
Toledo, O.

Dear friend Murphy:

I have your letter of February 5th before me asking for 24 new Courtesy Cards. This was buried beneath a lot of papers in my desk and only came to light this morning when I was "cleaning house". If you will send me the names of the twenty-four members you referred to, I will write up the cards and send them to you for delivery.

Yours truly,

HJ/
