The St Clair Storage Co.,  
230 St Clair St., Toledo, O.

Gentlemen:

Kindly advise or inform me what it is necessary for me to do to get possession of my Chevrolet Sedan.

I don't blame you for keeping it there as long as possible at \$1.00 per day storage charges.

In the first place, the machine should never have been brought down to your place. There were two tags in the machine and I had already made settlement for them and on account of the two tags being in the machine, it was hauled down to your place.

Every time I go down to get it, you are locked up tight.

If it is necessary for me to retain a lawyer to get the machine, I will do so as I am going to get the machine at any cost.

I am enclosing check for \$5.00 and insist on getting the machine.

Kindly advise me when you hope to be open.

Very truly yours,

Theodore Haberkorn,  
% The Ralph B. Smith Company.
