FOR IMMEDIATE RELEASE

University of Toledo President Glen R. Driscoll will be honored at the annual meeting of the American Association of State Colleges and Universities (AASCU) in Washington Nov. 19 when he receives a certificate of appreciation for "sustained contributions and notable services" to the organization.

Dr. Driscoll has served on three AASCU committees--urban affairs, graduate studies, and energy--and has been an institute leader.

"The members of the AASCU Board felt that your leadership role in public higher education and the support and service rendered by you during your presidency toward the collective goals of the members certainly merit acknowledgement," AASCU President Allan W. Ostar said in a letter.

The award was established in 1979 and will be presented at the organization's 24th annual meeting.
