Toledo, Ohio 43606

Alumni Foundation, Inc.  
Suite 18, Tucker Hall  
(419) 537-2601

May, 1975

Dear Friends:

Alumni, colleagues, and friends of our University for many years have benefited from the teaching wisdom and counsel of five distinguished members of the faculty who will be retiring soon. We treasure their long devotion to the cause of higher education and their combined service of some 133 years to this institution.

We wish long and happy retirements to:

*Violet B. Davis.....Associate Professor of Mathematics*  
*Dr. Kenneth C. DeGood.....Associate Dean for Administrative Services, College of Education, and Professor of Administration and Supervision*  
*Donovan F. Emch .....Professor of Political Science*  
*Dr. Jerome W. Kloucek.....Professor of English and Former Dean of the College of Arts and Sciences*  
*Dr. Lloyd F. Sunderman.....Professor of Music and Former Chairman of the Department of Music*

Among the retirees, Miss Davis and Mr. Emch are alumni of The University of Toledo.

Alumni, colleagues, and friends now have an opportunity to honor these retirees through a contribution to the *Emeritus Fund* of The University of Toledo Alumni Foundation. Proceeds from this fund are used to purchase books for the Library with bookplates bearing the names of the retirees affixed to the volumes.

Contributions of any amount are welcome but amounts of \$100 or more automatically enroll donors in the TOWER CLUB of the Alumni Foundation. (A payroll deduction plan is available for the University employees who enroll in the TOWER CLUB.) The enclosed designation card and return envelope are for your convenience. Please be sure to check a box or boxes on the right side of the card. If more than one box is checked, your gift will be divided equally.

Your contribution, therefore, not only honors the retirees but also helps the Library in its important book-acquisition program. Your support of this program provides the University with enduring educational assets.

Sincerely,

A handwritten signature in cursive script that reads "Edward C. Schmabel".
