Dear Sir:

The Toledo Charter Commission, elected by the people on November 8, 1927 for the purpose of framing a new city charter, has completed its task and is herewith certifying to you a copy of the proposed charter so that you can have the necessary copies printed to be distributed to each registered voter in accordance with Article XVIII, Paragraph 8, of the Constitution of the State of Ohio.

The Charter Commission is also transmitting to you herewith a certificate signed by the ten members of the Charter Commission who voted for the new proposal.

The Charter Commission has fixed November 6th, 1928, as the day for submitting the proposed charter to the voters of Toledo.

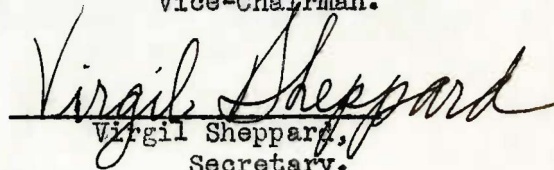

At the meeting of the Charter Commission on July 30th, 1928, the Commission authorized the printing in connection with the proposed charter of a message to the voters together with a chart showing the organization of the city government under the proposed charter. It is the Charter Commission's wish that this message and this chart be incorporated in each copy of the charter which you submit to the voters.

Very truly yours,
