TU Medical School Study Requested

Directors Ask Damas To Name Committee

Windsor, Ont., Sept. 20 (AP) — University of Toledo directors today asked Mayor Damas to appoint a citizens committee to study the possibility of establishing a medical school here.

The request came in a letter from Dr. William S. Carlson, TU president, who said the mayor's appointment of a committee would be a prudent step toward a medical school, so far as the directors are concerned.

The mayor said he would name such a group.
