Mother Of Three Gets Scholarship

\$1,000 Awarded By Quota Club

The Quota Club of Toledo, an executive and professional women's service organization, has awarded a \$1,000, one-year scholarship to Mrs. Eva Zornow, a member of the first class at the Medical College of Ohio.

Mrs. Zornow, of 2657 Merri-mac Blvd., is the mother of three children. Her husband, Herbert, is an assistant professor of English at the University of Toledo.

Mary Ellen Stahl, Quota Club president, said that Mrs. Zornow was selected for the scholarship on the basis of need and high undergraduate grades. She said that the club has aided Toledo-area women students in the past as a means of encouraging business and professional careers for women.

Mrs. Zornow, a native of Germany, attended the Free University of West Berlin, the University at Gutenberg-Mainz in Germany, and TU. She came to Toledo in 1961.

She is one of 8 members of the 32-member September class working for the college this summer. She has been employed in the Spencer-Sharpley area, helping plan mental health clinics and counseling services.
