

THE BLADE: TOLEDO, OHIO, MONDAY, OCTOBER 27, 1969

PROTOTYPE--This \$6 million geriatrics center planned for Toledo will lead the way for five other similar institutions throughout Ohio, all included in a multimillion-dollar plan by Governor Rhodes to overhaul the state's men-

tal health program. The Toledo facility, designed by Samborn, Steketee, Otis & Evans, local architects, will be located on the Toledo State Hospital grounds. Groundbreaking will be in 1970.
