Dear Sir:

You have been recommended to us as prospective observer and pilot for active duty at this base by Mr. Orin Redhead.

Newly assigned pilots are required to ride for 30 days as observer in order to acquaint them with the territory.

If you are interested in being assigned here, we would appreciate your advising when you would be able to report for duty.

Very truly yours,

Ernest T. Dwyer
Capt., Civil Air Patrol
Commanding

CC: Mr. Orin Redhead
