FOR RELEASE UPON RECEIPT

A check for \$35,395 for scholarships and other University activities has been presented to University of Toledo President William S. Carlson by The University of Toledo Alumni Foundation and The University of Toledo Alumni Association.

The total includes \$7,795 in outright scholarship aid to 62 students, a \$300 special gift to the College of Business Administration, \$9,000 to the National Defense Education Act matching funds (student loan) program, and \$3,300 in aid to the Marching and Concert Band and for uniforms for cheerleaders. The two groups also included funds toward the feasibility study on converting the Glass Bowl Stadium into an all-weather, covered sports and recreation facility. That study is in progress by Arthur Young & Co.

The Alumni Foundation is a fund-raising arm of the Alumni Association that seeks donations for various University and student needs. The Alumni Association directs the alumni activities program and many of its events also raise funds for TU and its students.
