Mr. E. F. Mitchell,
Colt's Patent Fire Arms Mfg. Co.,
Hartford, Conn.

Dear Sir:

I have your favor of March 9th re the convention of the Ohio's Police Chief's Association in Toledo this summer and wish to advise that as near as I know now, the sessions will be held in the new Safety Building, this city, Erie and Jackson Streets. It might be that E. G. Krause, Sec'y.-Treasurer, of Cleveland, Ohio can give you the full program. At any rate, we will be glad to see you and all other members of your firm at that time and will be glad to make your trip here as pleasant as possible.

Yours very truly,

Chief of Police.
