FOR RELEASE UPON RECEIPT

The University of Toledo Alumni Association Scholarship Fund will benefit by \$11,700 annually as a result of the 117 charter members of the Tower Club, now being organized at TU.

The charter members* will be guests of TU President Dr. William S. Carlson and his wife on Wednesday (Dec. 9) at a dinner to be held at 6 p.m. in TU's Student Union, and at the opening performance at 8 o'clock that evening of the University Theatre's production of "The Imaginary Invalid."

At the dinner officers of the new organization will be elected and Dr. Carlson will speak on "Progress on Campus." Alfred H. Samborn is temporary chairman of the committee and will serve as master of ceremonies at the dinner and meeting.

Tower Club members will be guests of Dr. and Mrs. Carlson at an annual dinner and reception, and also will be special guests each year at TU's Homecoming, according to Edward Schmakiel, TU's director of alumni relations. Each of the Tower Club members has agreed to contribute \$100 annually to TU's Alumni Association Scholarship Fund, Mr. Schmakiel said.

* (A list of charter members -- as of Dec. 4, 1964 -- is enclosed).
