Dear President:

Toledo has had a member who has been exceptionally wholehearted in her interest in the Business and Professional Women's Club, and each year she adds more and more to her achievements for the good of the club, both locally and as a state organization. This year she has assisted with the organization of another new club in District I. We had thought that we had reached the absorption point, but not Peg! She found still another.

Last year Peg Martin was elected Third Vice President of the Ohio Federation, and in that capacity she is serving as Chairman of the Emblem, Music and Federation Committees, a big job; but there is no divided interest with Peg, the major portion of her time is for the Federation. She will also be State Transportation Chairman for our Biennial in Boston.

Toledo is very anxious to see Peg Martin again nominated for Third Vice President because she has been a good Toledo member, because she has done so much for the Ohio Federation, and because you and I know this is the type of member we need in office.

You have a form to be filled out and sent to the State Nominating Committee by January 1, and Toledo is wondering if you would like to again mention Peg Martin for Third Vice President in that form. If you would, it would make Toledo very happy.

Most sincerely,

BOARD OF DIRECTORS OF THE
BUSINESS AND PROFESSIONAL WOMEN'S CLUB
OF TOLEDO, OHIO
