AMERICAN RED CROSS

Dear Mom + All,

Thought I would drop you a few lines again today. Have you heard from Guy. I haven't heard from him for a while. I wrote Betty a letter yesterday, I haven't heard from ~~her~~ lately either.

You wondered if I ever heard from Herbert and I don't very much. You said something about him leaving home. Did he come back or not. Had a letter from ~~her~~ and she said in it that he hadn't been home for a long time then. She said he told her to write to me until he

had time. She said something about him staying with Dale Patton. Is he going back to school this year. He will be a senior won't he.

When we were on our way to Seytewe saw Gaudacand, New Guinea, Palau Island and some other place. When I was at Seyte I was near Jacobson, the capital. Guy must be around there close to it. I was there a couple times, and to Palo, when I was there. We couldn't tell anything about it for 3 month after we were there and its been longer than that now so-long. Love, Billie.
