Mr. Harry Jennings,  
438½ Kenilworth St.  
Toledo, Ohio.

Dear Mr. Jennings:-

As realtors we realize to the fullest how much the safety of our city depends upon our Police and Fire departments. Your vim and vigor is the protection of our citizens.

That you may keep fit physically and relax mentally during your recreation hours we cordially invite you to make use of the facilities of the Reno-By-The-Lake Club.

For the balance of this year, your badge will be your membership card. You and your family will have free use of the golf links, tennis courts, ball diamond, Community House, with its commodious dance hall and bathing facilities, and all the other amusements of this great summer colony along Lake Erie.

A good many of the boys in your department are already playing golf on our links and a championship tournament is being planned for this fall.

Trusting that you will avail yourself of our invitation and of having the pleasure of meeting you personally, we are,

Yours very truly,

THE REUBEN REALTY COMPANY.

C. C. Corson, Mgr.
