Harry Jennings,  
Chief of Police,  
Toledo, Ohio.

My dear Chief:

It is my hope to have at our Montreal Convention, the largest attendance that we have had at any convention, and I am taking the liberty of enlisting your cooperation to assist me in my efforts.

To accomplish this purpose I am appointing a MEMBERSHIP AND ATTENDANCE COMMITTEE made up of one Chief of Police from each State, whose duties it shall be to urge all of the chiefs in their respective states who are NOW members of the Association, as well as those chiefs who are NOT members, to attend the Convention at Montreal to be held July 14, 15, 16 and 17.

I am naming you on the committee to take care of this work in your state, and would appreciate very much any efforts you may put forth to insure a large attendance from Ohio.

Very truly yours,

President.
