The Honorable Richard F. Celeste
Governor of Ohio
77 South High Street, 30th Floor
Columbus, Ohio 43266-0601

Dear Governor Celeste:

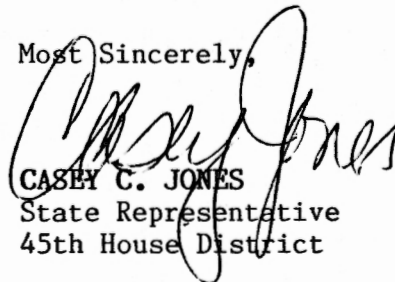

This letter is to recommend Reverend Franklin Freeman as the newest member of the Ohio Civil Rights Commission. Reverend Freeman is a very dedicated clergy, as well as a public servant, and would be an excellent addition to the Commission.

Reverend Freeman has consistently been in the forefront to insure all individuals, regardless of race or sex, receive equal and just treatment. He is a very conscientious man, and willing to bear the scorn and ridicule as a spokesperson for the underprivileged and downtrodden.

As a Commissioner, he will rule with unmistakable fairness and use his knowledge of righteousness in rendering an opinion. I have known Reverend Freeman, and have seen his efforts in our community. I ask at this time, his skills and knowledge be considered as they relate to the needs of the Commission.

Governor, please do not hesitate to contact me if additional information is needed.

Most Sincerely,

CASEY C. JONES
State Representative
