Dear Mom + Ale,

I thought I'd drop you a line
and see how you all were
coming. I got that picture at
mail call yesterday, I don't think
there to good, do you. It makes me
look like I'm fatter than what
I am, don't you think.

Don't forget to let me know
what Bob's address is when you
get it, maybe I might run across
him again, but I doubt it.

Have you been hearing from
Guy + Tom. I've gotten one from
Guy since I've been here.

Will close for now. Everything
here is the same as it was. I
will write everyday that I can.

So long for now
Love, Billie.
