August 17th, 1926

Mr. Harry Jennings,
Chief of Police,
Toledo.

Honorable and dear Sir:

Permit us to thank you most heartily for your courteous compliance with our request for the assistance of the police department in handling the crowds at our festival last Sunday and in safe-guarding the funds which were collected on that day, and which mean so much to the treasury of our institutions. We wish to compliment your men on the firm, yet courteous, manner in which they preserved the nicest find of order where without their expert services chaos would have reigned, and for the sense of security afforded our men by the police escort which accompanied them to the bank.

We assure you that we deeply appreciate the splendid assistance which your department has given us this year as well as in the years gone before.

Yours very respectfully,

THE LUTHERAN ORPHANS' & OLD FOLKS' HOME

A. C. Hueter
Superintendent
