Rev. A. C. Hueter, Supt.,
Lutheran Orphan Home,
2411 Seaman St.,
Toledo, O.

Dear Mr. Hueter:

I have your favor of the
17th of February and wish to apologize
for the delay in writing you, but the
letter became misplaced in some papers
in my desk and only came to light this
morning.

I would be pleased to address
the children at the home at some future
date, and will be glad to have you call
upon me sometime after the middle of April
as we are quite busy at this time making
plans for our removal to the new Safety
Building and my time is quite taken up.

Yours very truly,

Chief of Police.
