Public Relations Office

March 18, 1959

University of Toledo student chapter members of the Ohio Society of Professional Engineers will be hosts to the nine student groups at the OSPE meeting in the Commodore Perry Hotel March 19 - 21.

Three University staff members are participating. At the Friday luncheon President William S. Carlson will speak on The University and Research. That afternoon Professor Cornelius C. Ackerman will discuss Training Our Highway Engineers before the highway engineers group. Dean Otto Zmeskal will be moderator for the student chapter discussion on Saturday morning.
