

DON'T BUY In Northern WOOLWORTH'S

AS LONG AS
SOUTHERN WOOLWORTH SEGREGATES

WHY???

- Negroes can't sit down to eat at Woolworth's Southern Lunch Counters.
- Southern citizens are demonstrating peacefully against this injustice.
- They have been met by
 - ... MASS ARRESTS
 - ... TEAR GAS
 - ... EXPULSION FROM SCHOOL
 - ... FIRE HOSE
- We are picketing in support of American Citizens who are fighting these indignities.

WHAT CAN PEOPLE IN THE NORTH DO ?

- Woolworth's policy is made in New York and can be changed from New York. You can help convince Woolworth's to change its policy by:
 1. Refusing to buy in Woolworth's until its southern lunch counters are integrated.
 2. Writing to the national headquarters of Woolworth's informing them of your refusal to buy and urging the end of these segregation policies. Address letters to:

MR. F. W. HARRIGAN
F. W. WOOLWORTH AND COMPANY
233 BROADWAY
NEW YORK, N.Y.
 3. Signing our petition against segregation.
