Mr. Harry A. Tillotson,
c/o Yost House,
Ferry Field,
Ann Arbor, Mich.

Dear friend Tillotson:

I have your kind letter of the 19th instant enclosing check and I feel I am taking an unfair advantage of you in accepting this. I do not expect favors for sending the officers up to assist you. I assure you that it is a pleasure to the men of this Department as well as to myself to assist Chief O'Brien and yourself in handling the crowds during the football season.

I more than appreciated the tickets you sent me and hope that I may be of some assistance to you in the future.

Respectfully,

HJ/S

Chief of Police.
