

PROGRAM REPORT FOR 1994--1995

To: President, Lancaster Quota

From: Program Chairman

Our First meeting being July 18, 1994 and being a business meeting and discussing the International Convention and the group thoughts for the president to take with her.

Because the Membership voiced an opinion that they wished more Business Meeting rather than "program type" meetings, the year was set up in that manner.

August 15, 1994 meeting was a business meeting along with the Service to Youth Committee reporting and deciding what should be accomplished for the year. They also raffled a stuffed bear in a rocking chair to be distributed later in the year. The money would go to one of the Service to Youth Projects.

September 12, 1994 meeting was a business meeting and discussion on the Conference to be held 9-23--25-94. The Program for the evening was "Hi Ho Come to the Fair" Our local Fairboard Chairman, Dave Benson spoke on our Fairfield County Fair--which is one of the oldest ones in the State and what would be expected this year, on some changes in the past and what they were looking at for the future. Believe that the members enjoyed--decorations was in keeping with the fair.

October 12, 1994 was a Ways and Means Project and it was held at the Fred Astaire Dance Studio--later that evening an instructor showed two different line dance steps and the members participated. Enjoyed by members and guests.

October 24, 1994 meeting was the Bazaar Committee, The Committee Chairman reviewed what was happening for the Bazaar which would be November 3rd at the American Legion. Business Meeting was also held.

November 3rd was the Annual Bazaar and it was well attended and the chapter made over \$5000.

November 14, 1994 - Thanksgiving Program - decorations in keeping with the Holiday Theme--Small Business Meeting held.

December 5, 1994, was a social function and the Board hosted the meeting. We had the Wm. Fisher School Choir, and they sang various songs appropriate for the season.

January 16, 1995 - Ways and Means Committee held this affair at the Rising House and served a delicious meal. They also had a White Elephant Sale to help generate some revenue for the club. A short business meeting was conducted.

January 30, 1995 - The Fellowship & Hospitality Committee had a Birthday Bash--the dinner was great. They had members bring baby pictures of themselves and then the members had to guess who they were--delightful. A short business meeting was then held.

February 13, 1995 - World Service Committee, had Three Foreign Students participate and discuss the countries that they represented--very enjoyable. Short Business Meeting was held.
