Mr. Harry Jennings,
Chief of Police,
Toledo, Ohio.

Dear Chief:

Once again your kindness and generosity has manifested itself and because of it the Annual Outing for Six Hundred little Orphan Children of our City at Walbridge Park, July 22nd, under the auspices of The Toledo Automobile Club has been a big success.

The Officers and the Board of Trustees of The Toledo Automobile Club want to thank you for your splendid co-operation. Without your help and kindly interest we would never have been able to make the homeless little tots of Toledo happy.

That you and your family may realize as much happiness as you have made possible for the little Orphan Children, not only this year but in the years past, and that this same happiness may remain in your heart for years and years to come, is the most sincere wish of the Officers and the Board of Trustees of The Toledo Automobile Club.

Yours sincerely,

THE TOLEDO AUTOMOBILE CLUB
